The Marrakech Polo Club Jnan Amar is hosting the 4th annual Patrons' Tour 2019, a special 3-day event, with international polo pros and players, on the weekend of April 12-14. Polo players' practise day is April 12, followed by team presentations and the start of the tournament on April 13, which is open to the public. The final matches are by invitation only and will be held on Sunday April 14.

Marrakech Polo Club Jnan Amar has been operating successfully for six years and is located in Jnan Amar Polo Resort, a stunning 50 hectares estate just outside the city of Marrakech. The polo club has two world class polo fields and has hosted several celebrated international tournaments over the past few years.

This event will attract polo pros, patrons and VIPs worldwide providing great entertainment on and off the field with matches, refreshments, music and fun! The Patrons' Tour 2019 is sponsored by our long-term partners The Ritz-Carlton Residences Marrakech and La Martina, as well as iconic luxury brand Franck Dubarry, Swiss sponsors Clinique la Prairie and Glion and Consult IT from Paris.

"The weather in Marrakech, with over 300 days of sun per year, is perfect for playing polo all year around. Polo enthusiasts as well as international celebrities and tourists alike have flocked to the Marrakech Polo Club Jnan Amar to enjoy both the games and ambience over the past years making it a hub in the international polo world." says Yazan Takriti, CEO of Marrakech Polo Club.

**Marrakech Polo Club Jnan Amar** is located just 20 minutes from Marrakech amongst a 50 hectares estate. The polo club has a world class polo field that has hosted several international tournaments and its Academy offers lessons for all levels and capabilities. In-line with the expansion of the Jnan Amar Polo Resort and the development of the 80 key Ritz-Carlton Hotel, and 85 Ritz-Carlton Residences, there will be a beautiful polo club house with Argentinian fine dining restaurant, club lounge, pool, tennis courts and an equestrian centre for up to 140 horses as well as the second polo field.
