Marrakech Polo Club (MPC), Jnan Amar is delighted to invite you to our charity event day November 23rd 2019 to support veterinary care organisation Fondouk and Marrakech Polo Club's NINOS programme.

We are thrilled to host a Polo match with HMA Thomas Reilly and members of the Marrakech Polo Club, followed by a spectacular show from Le Cheval Libre.

This year we are raising funds and awareness for the Fondouk organisation in FEZ and the MPC Ninos program.

About the causes:

The Fondouk Organization provides people-to-people aid through offering free veterinary care for the hard-working donkeys, mules and horses of morocco.

The MPC NINOS program supports the local community, teaching skills to children from local villages in how to care and groom horses, stable management and of course how to play Polo.
